

Support OLLI@UGA

For more than 25 years, OLLI@UGA has been connecting adults 50+ with their passion to keep learning. We aim to enhance the lives of our 1,000+ members as well as those in the community who may benefit from our programming.

Today OLLI@UGA is a thriving, respected organization that offers approximately 150 courses each semester and a full calendar of social events, travel opportunities, and volunteer activities.

Athens consistently ranks among the top places to retire, and the opportunities through OLLI@UGA are a major reason many people choose to live and move here.

Although OLLI@UGA is probably best known for its array of courses taught throughout the year (more than 300!), we provide a valuable networking opportunity to newcomers to Athens.

Why does OLLI@UGA need sponsors?

We are a self-funding unit of the Mary Frances Early College of Education. More than 95% of our expenses go directly toward programming.

Even with our endowment from the Osher Foundation as well as services provided by UGA, we must still stretch to fulfill the short and long term goals of our organization. That's why the support of local businesses and organizations is vitally important.

Sponsor Benefits

We greatly appreciate our OLLI sponsors and are committed to offering them visibility in various ways, including:

- Featured acknowledgement in the various OLLI@UGA communications and publications (website, newsletter, catalogs, and more);
- Connections through social media;
- Participation in OLLI public and private events (i.e., annual meeting, OLLI Fest).

How can I help?

Our sponsors have the power to change the lifelong learning experiences of adults both in and out of the classroom. For example, supporting:

- The OLLI@UGA Summer Film Series (in conjunction with Cine) (\$5,000 per year)
- Osher at Dartmouth Summer Lecture Series (\$2,500 per year)
- Support Travel Opportunities (\$1,200 per trip, 4-5 per year)
